**REMARKS**

Claims 1-25 were pending in the application. Applicants have canceled claim 25 without prejudice.

First of all, the Applicants would like to thank the Examiner for allowing claims 1-24.

The Examiner rejected claim 25 under 35 U.S.C. § 103(a) as being unpatentable over Renirie et al (USPN 6,141,590). Without agreeing with the propriety of the rejection and without prejudice to the Applicants right to pursue such a claim in a future application, the Applicants have canceled claim 25. With the cancellation of claim 25, only allowable claims remain in the application and, accordingly, the application is now in a condition for allowance. Applicants, therefore, request a notice of allowance to that effect.

**FEES DUE TO FILE THIS AMENDMENT**

When this application was filed, a fee was paid for a total of 29 claims. With the above amendment, of the 29 original claims only 24 remain. Thus, no fee is believed to be due to file this amendment.
